**also via Pope Francis**

**Holy See**

Open Letter

*Amicus curiae*

24<sup>th</sup> February 2014

10

**Dear Sir,**

*In the name of our Immaculate Virgin Mary with Her Child Jesus, greeting!*

This is to inform Your Excellency regarding investigations and actions of this *Court of Record* that have affected the outcome of recent 'demonstration' in Keiv, Ukraine.

15

We forward next our 39 page fax to NATO regarding the developments in **Ukraine**, which includes cover letters and the *Amicus curiae* to The Honourable Mr. Barack Obama, President of the United States, regarding the **dissolution of the UNITED STATES corporation and the Federal Reserve system**.

The 2012 Christmas message of Pope Benedict XVI<sup>1</sup> taught the world the sermon that guides this *Court of Record*:

20

"Render unto Caesar what belongs to Caesar and to God what belongs to God"

The *formal* Caesar, represented by the President of UKRAINE, ran away.

The EUROPEAN UNION is bankrupt, as is the corporate U.S.. This is proved by the Cyprus crisis which we have covered in our Open Letters at [www.courtofreord.org/crisis.html](http://www.courtofreord.org/crisis.html)

25

We suggest that Your Excellency obtain and print copies of all letters of this *Court of Record* from: [www.courtofreord.org/letters.html](http://www.courtofreord.org/letters.html)

It is our wish that Your Excellency provide copies of our letters to all Members of Parliament and to faith leaders, particularly those of the Jewish community and our Russian Orthodox brothers in Ukraine.

It is our wish that Your Excellency shepherd the producers of Ukraine to redenominating their books of account in the substance they produce and to bring forth offers of exchange.

30

Only legal infants contract with the IMF or other 'bank'. It is time to return to Christ.

We suggest that Your Excellency contact Pope Francis for guidance.

Yours faithfully,

*Joseph Ray Sundarsson*
